Subject: October Construction Defect Update

The message below is from the Board of Directors for the Coal Creek North Paired & Patio Villa Homes:

The update for October is below:

All subcontractors were successfully served with the Amended Complaint. Two of them filed Answers, but we're still waiting on the others. If they don't file an Answer by the end of next week, the Arbiter will need to decide whether he has jurisdiction to force them into the arbitration. We believe that he does, so hopefully the other subs Answer and do not dispute that issue.
